Dear OCA Friend,

Founded in 1973 as the Organization of Chinese Americans, OCA is a national organization dedicated to advancing the social, political, and economic well-being of Asian Pacific Americans in the United States. Our national office in Washington, D.C. monitors legislations and policy issues that affect the APA community. Currently over 80 OCA chapters and affiliates across the nation are organized to accomplish the following:

- Advocate for social justice, equal opportunity, and fair treatment;
- Promote civic participation, education, and leadership;
- Advance coalitions and community building; and
- Foster cultural heritage.

The Orange County Chapter is here to support nationals and address local needs through education, activism, and community service.

Member Benefits

- Work with thousands of other OCA members and other Asian Pacific American community leaders and members to overcome the forces that divide Asian Pacific Americans.
- Work to eliminate stereotypes in the media, in the policy arena and in American communities; help to build a more positive and accurate image of Asian Pacific Americans.
- Support OCA, the only national Asian Pacific American organization based in the nation's capitol that provides a common forum for all Asian Pacific Americans.
- Receive our quarterly news magazine, "Image", which provides current information of interest to Asian Pacific Americans by covering legislation, political developments, social and economic issues, as well as educational and professional opportunities.
- Become an informed, active and responsible citizen as a member of OCA.
- Receive member's rates to OCA events locally and nationally.

Your support is vital to our voice being heard at the local, state, and national levels. As a 501(c) (3) non-profit organization, your membership is fully tax-deductible. We hope to see you at our upcoming events!
